Payment Schedule and Program Fees

A \$10.00 registration fee is due upon registration and weekly fees are due in advance. Unused program fees may be applied as a credit towards future attendance and are transferable; however, they are non-refundable. Weekly fees (excluding members of the Teen Group and some members on scholarship) will be prorated for one, two, or three days of attendance. The full weekly amount is due for four or five days of attendance.

The year is divided into three terms: Spring, Summer, and Fall. Balances from each term *must be paid in full for all members* in order to continue enrollment for any and all children in the family for the subsequent term.

Unpaid balances will result in the transfer of the account balance to a collection agency and/or the termination of our services until payment is made in full. Parents will receive a monthly invoice detailing any unpaid fees.

I agree to adhere to the following payment schedule (please initial one):

____ Weekly payments payable every Friday

____ Bi-weekly payments made payable twice a month

____ Monthly payments made payable once a month

- The registration fee due today is \$10.00 plus the first week's fee.
- All childcare reimbursements are the responsibility of the registering parent/guardian. Parents are responsible for payments and must seek reimbursements through the childcare reimbursement agency.

I have read and understand the payment schedule and program fees policy.

Open Door Policy

As a Boys and Girls Club, we are not a licensed childcare facility. Licensing does not regulate our operation, which results in different rules and regulations in our operation compared to a childcare facility. Boys and Girls Club of Las Cruces has an Open Door Policy which allows all children to come and go at will from the program. We do not prevent children from leaving the Club if they so desire. We do, however, strongly encourage children to remain in the activities conducted both inside and outside the Club by the Staff. Most Club members are not aware of this policy and therefore do not draw on it. If you choose to make your child aware of this policy, it is your responsibility to inform your child as to whether or not he/she can leave and with whom they can leave. In the event that a child does leave our facility, parents/guardians are notified of the occurrence.

I have read and understand the Open Door Policy
